POPAJ

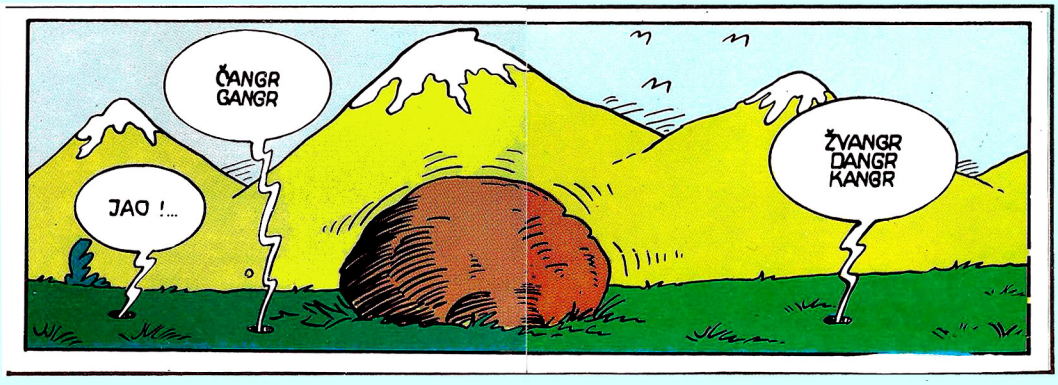
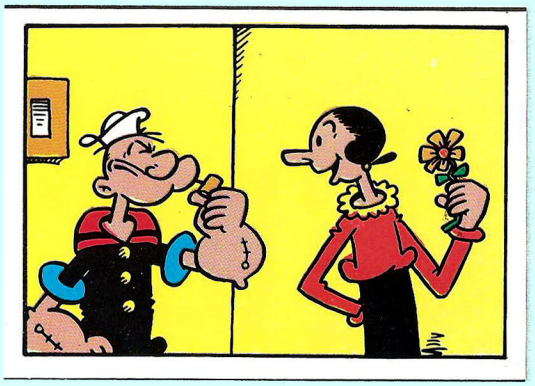
Veselo zviždućući, Popaj je skakutao ka Olivinoj kući

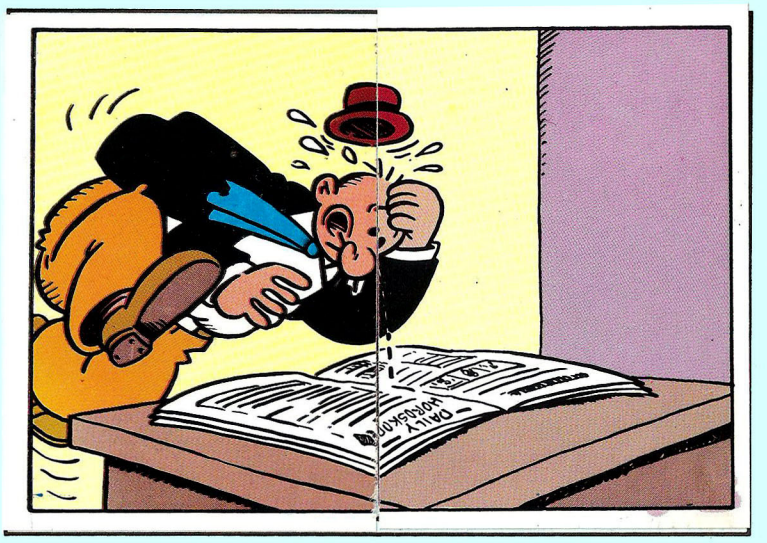
- A mnogo kilometara dalje, u dolini Džangrizala, zemlja je počela da se trese . . .



- Opalio sam nešto glavom.
- Sreća što si udario glavom!

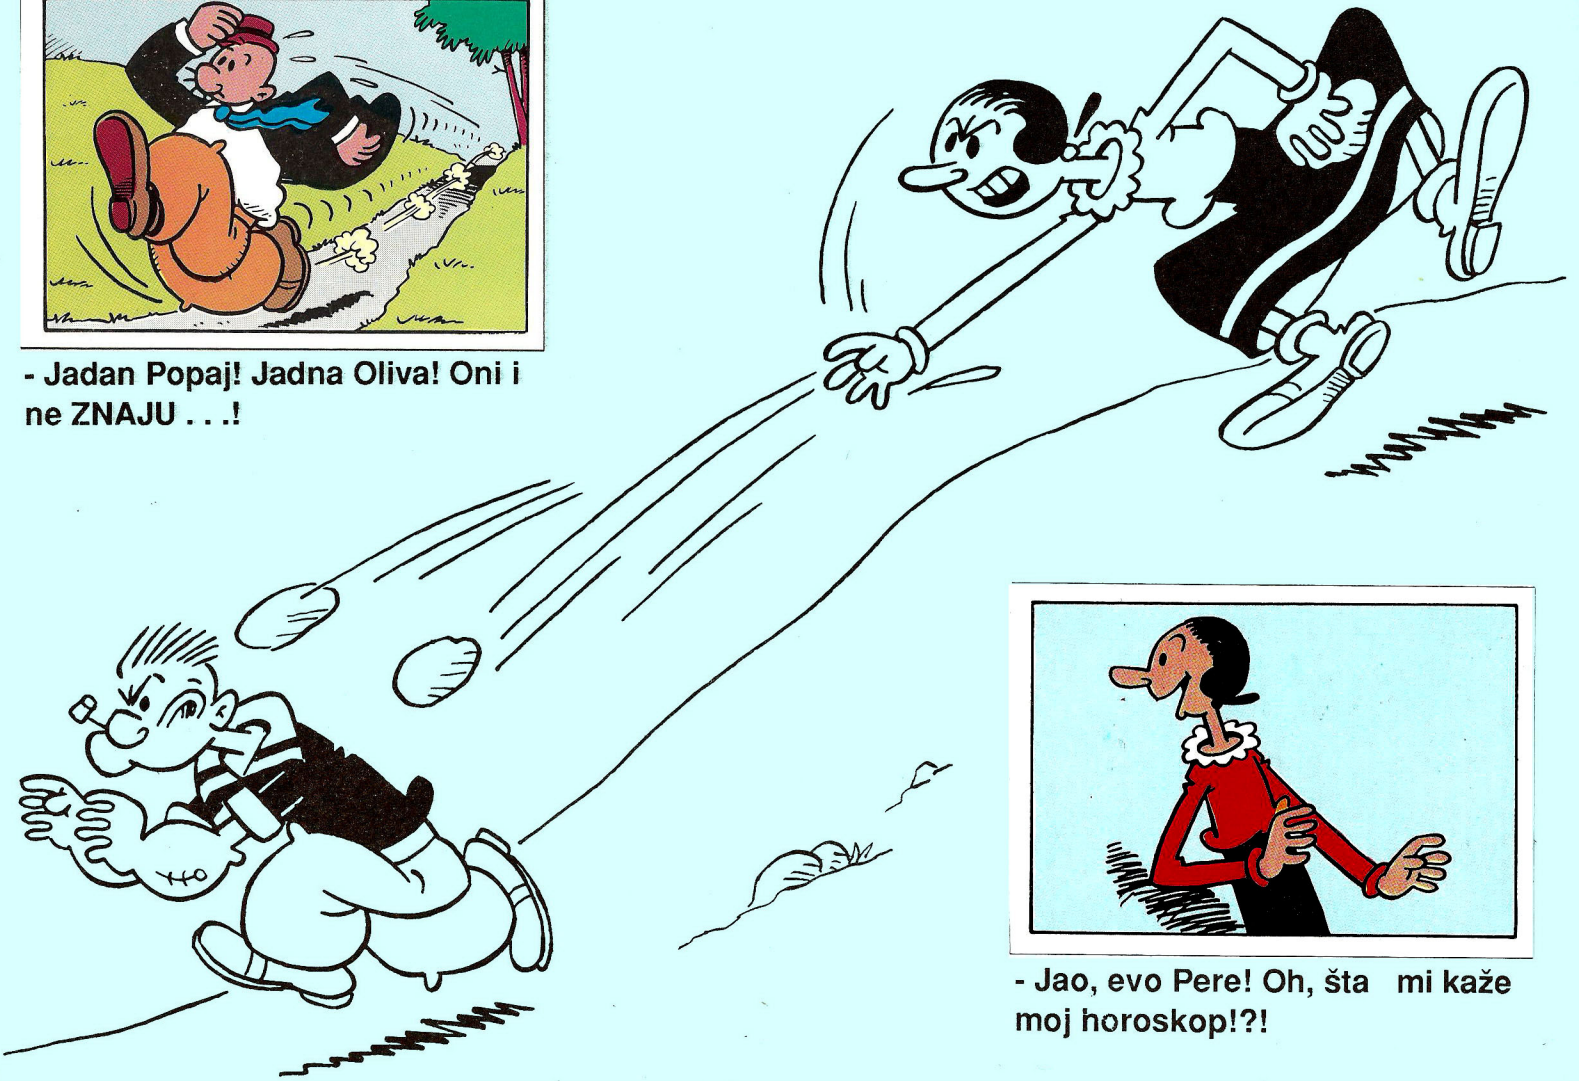


- Oliva, gde je Pera Ždera?
- Hm, bio je ovde, očešao se o ručak i otišao da mi sastavi horoskop!

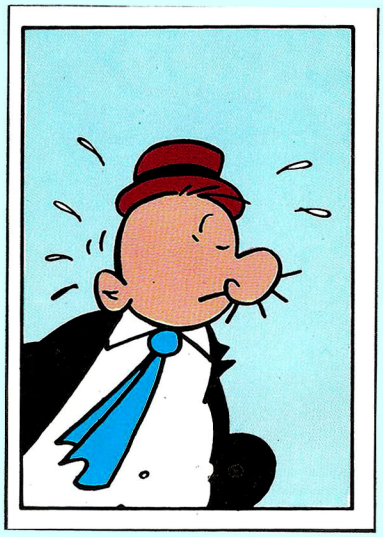


- Jao! Ovo je strašno! Moram odmah da upozorim Popaja!

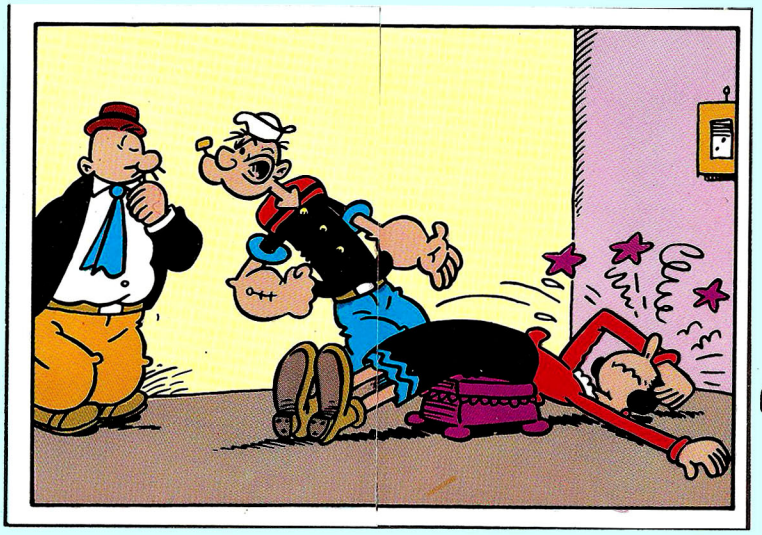
- Jadan Popaj! Jadna Oliva! Oni i ne ZNAJU . . .!



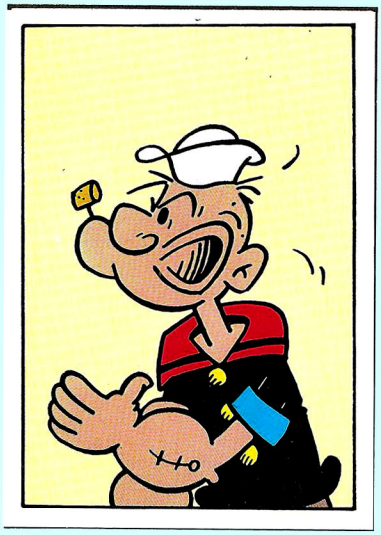
- Jao, evo Pere! Oh, šta mi kaže moj horoskop!?!



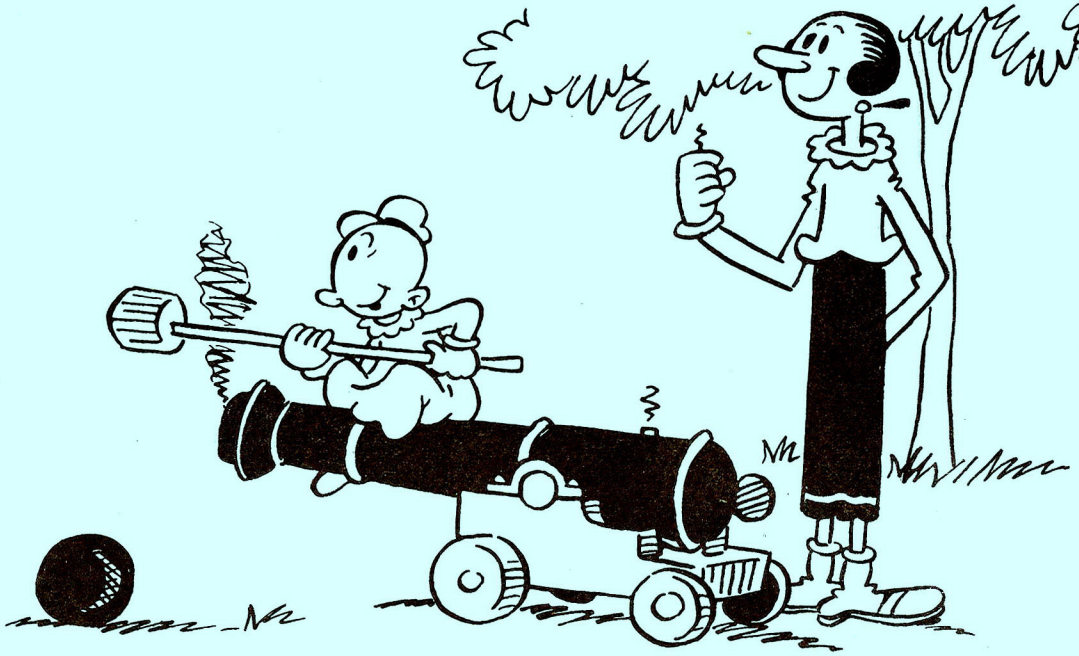
- STRAŠNO! GROZOMOZA! GROZA I MOZA!

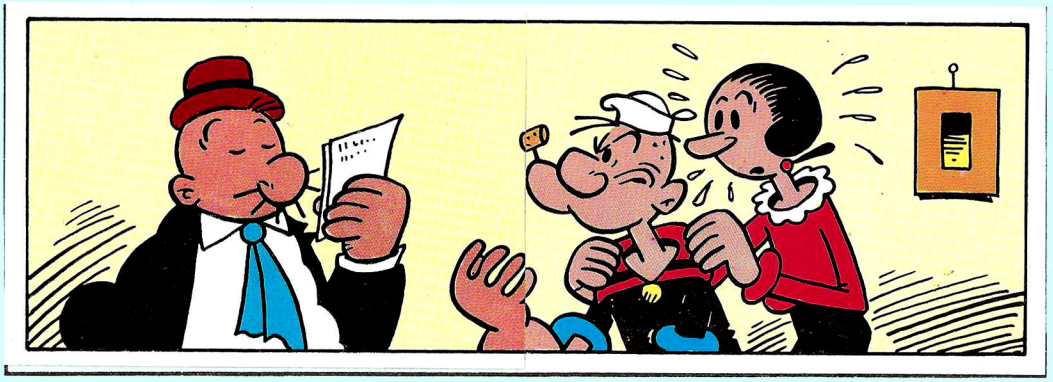


- UBICO! - Zar moraš tako nešto da joj pričaš dok STOJI!



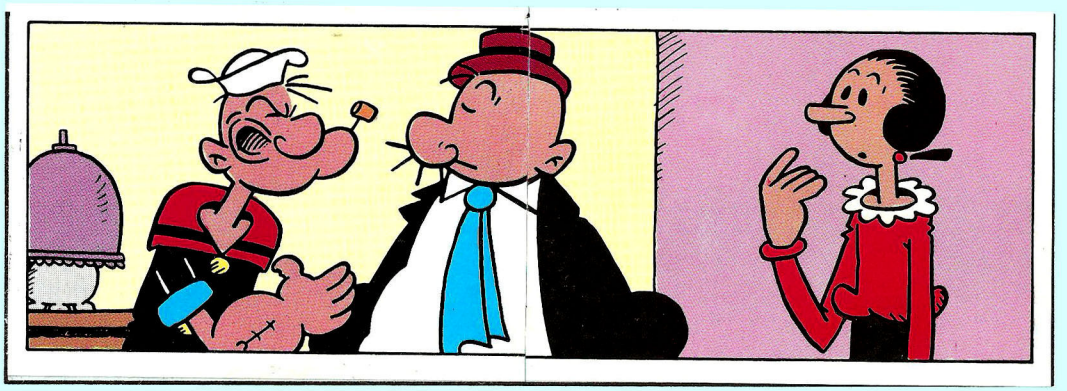
- A sada nam reci o čemu se radi!



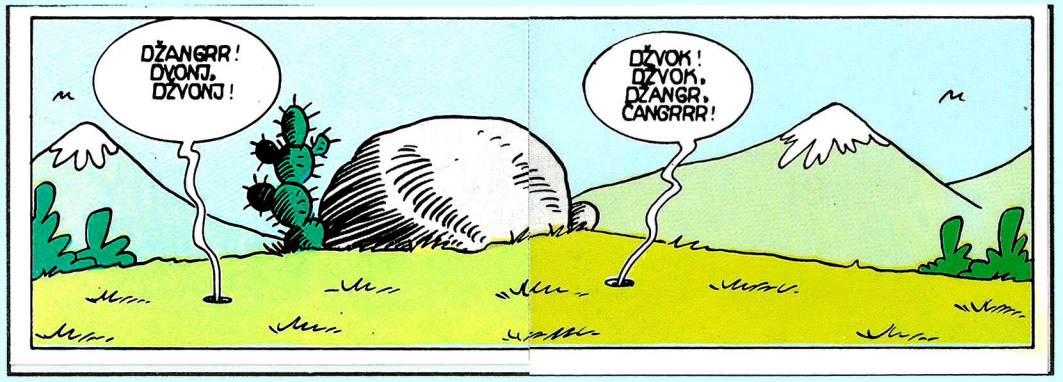


- Pa, lepo! Jupiter i Mars su u vezi sa Zemljom, Venera je u suprotnosti sa Neptunom, a nebeska sfera je u znaku vodolije!
- Auh, Pero, zar je sve to u Olivinom horoskopu?

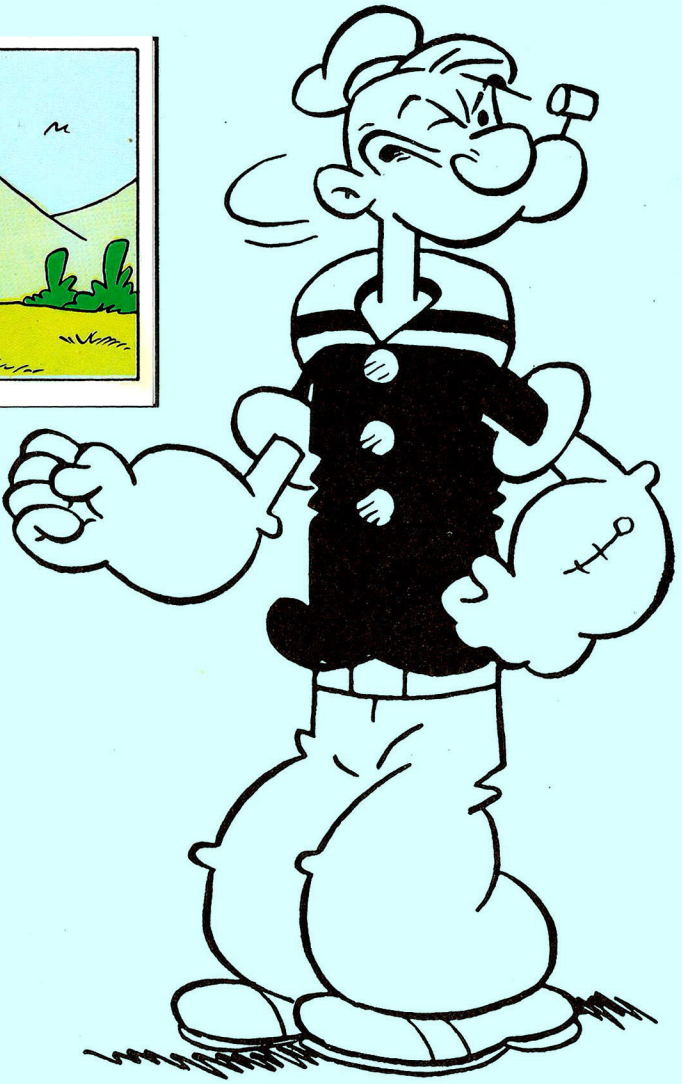
- JAAO! Crna sudbinooo! Gotovo je sa mnom!

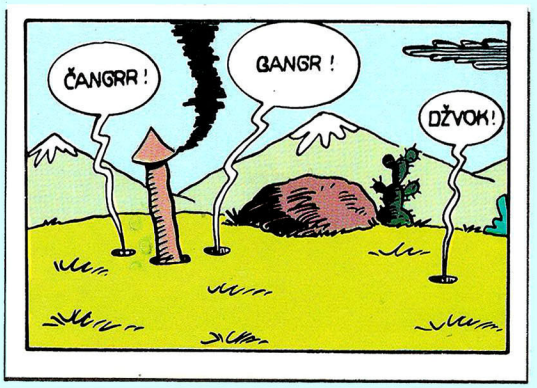


- Ne paniči, Oliva! To se odnosi i na ostale, jer tvoj horoskop kaže da je ovo GODINA DŽANGRIZALA!!

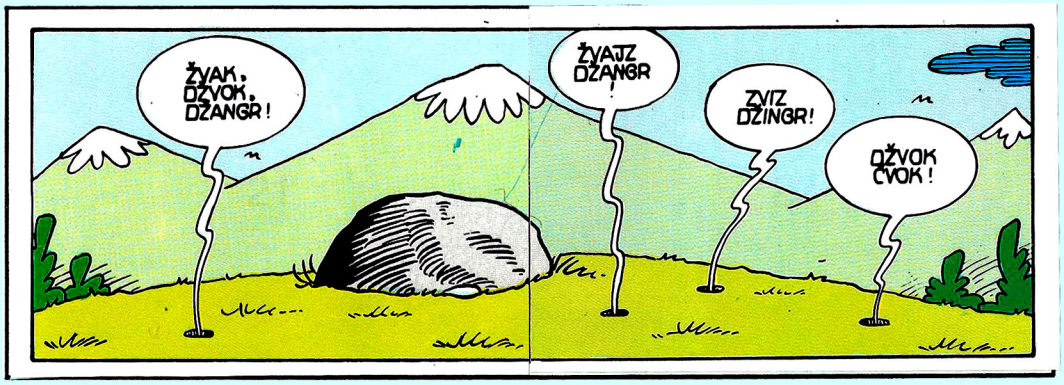


- Uuuh! Meni se još spava! Nemoj da me budiš!
- Ustajte Džangrizala! Čas osvete je došao!

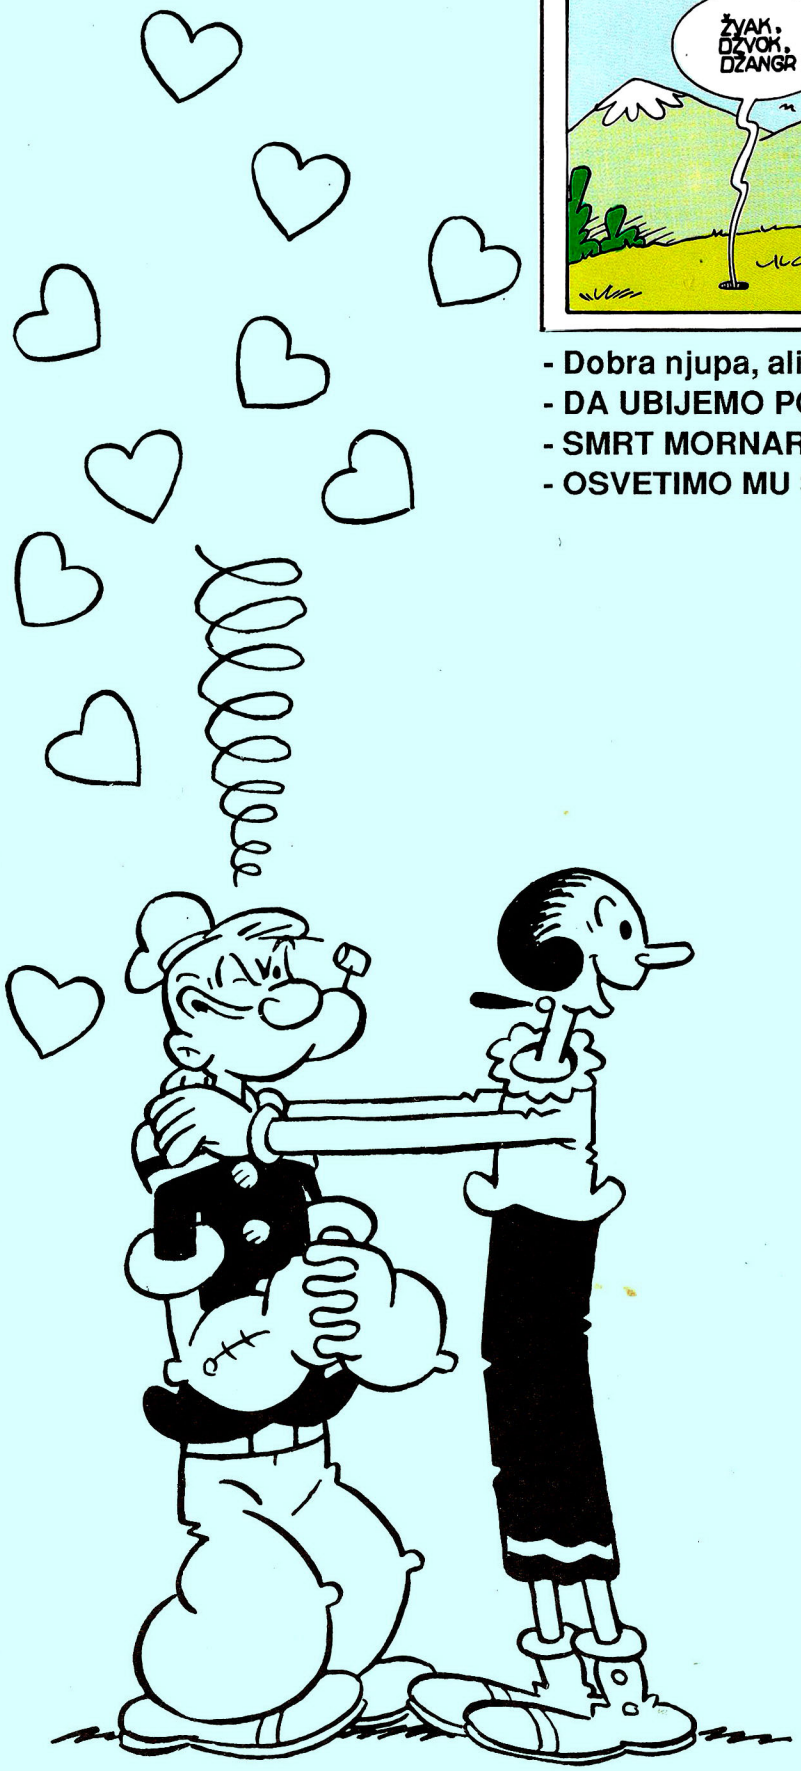


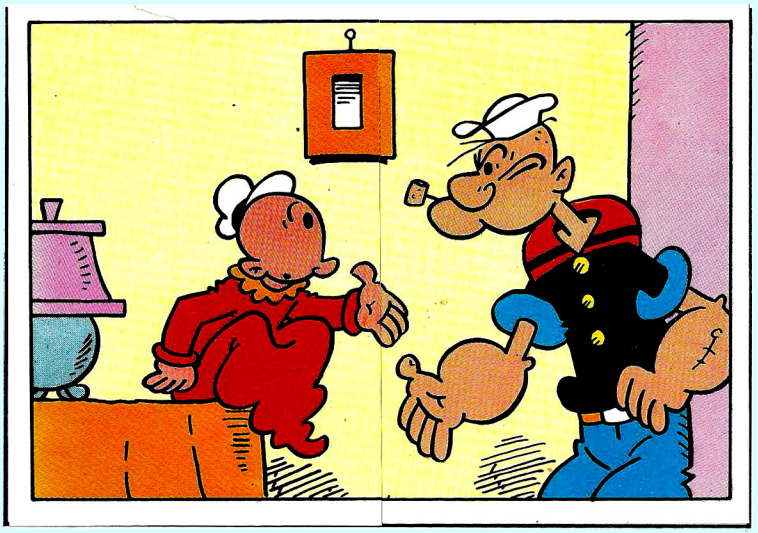


- BUDITE SE!
- Gotova je klopa!
- ZEEEV!

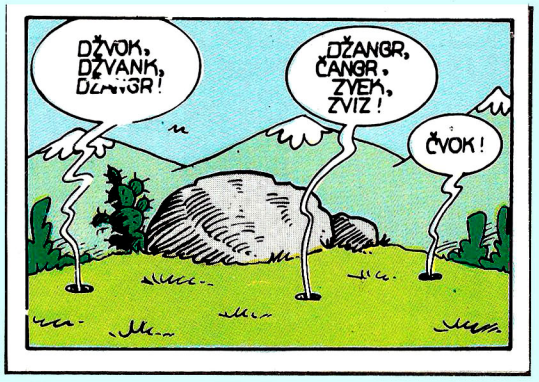


- Dobra njupa, ali šta sad?
- DA UBIJEMO POPAJA!
- SMRT MORNARU!
- OSVETIMO MU SE!

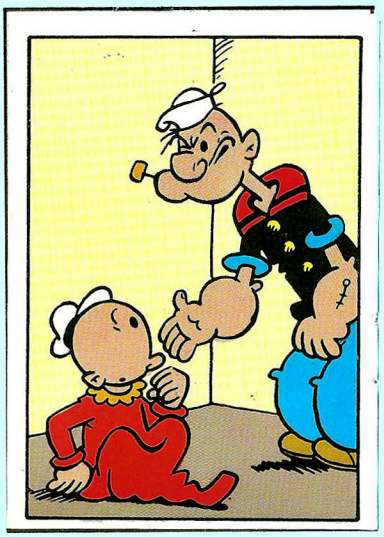




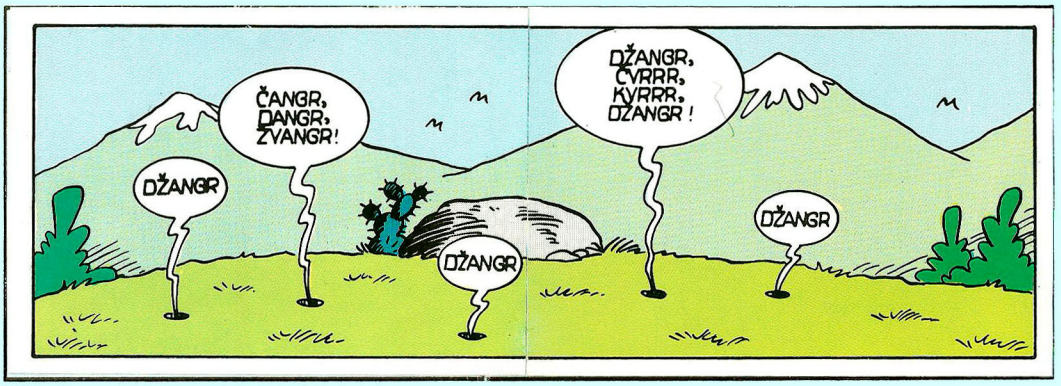
- Popaje, ko su to Džangrizala?
- Mala, gadna stvorenja, koja žive pod zemljom!
- Ubeđeni su da će Sunce spaliti Zemlju!



- One na površini moramo spasiti nebeske vatre!
- Ali, najpre sredimo mornara!
- Ubijmo ga!

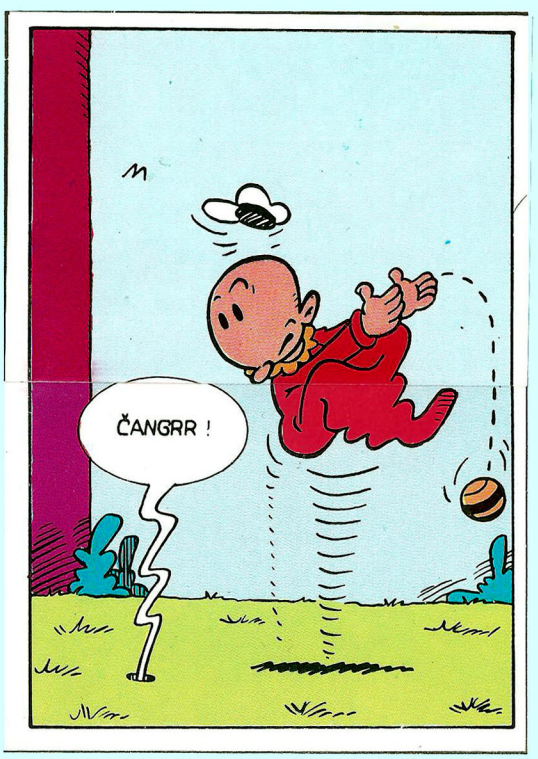


- Plaše me ta Džangrizala, Popaje!
- Ne brini, Kićo! Oni se plaše mene, a i daleko su odavde!



- Naša je sveta dužnost da ljude spasemo od tog strašnog sunca!
- Ali, ako želimo da uništimo Sunce, najpre moramo da uništimo Popaja!
- Šmrc! - Grrr! - Bah!

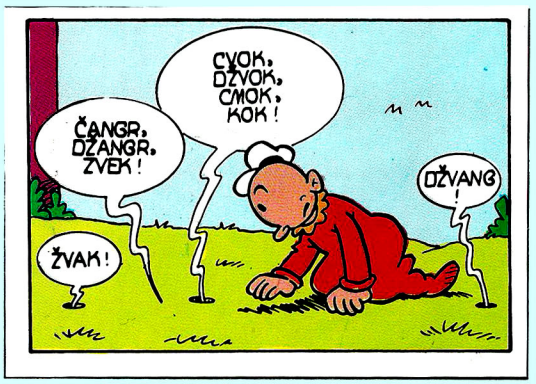
- Popaj je rekao da se ne plašim Džangrizala, jer su vrlo daleko!



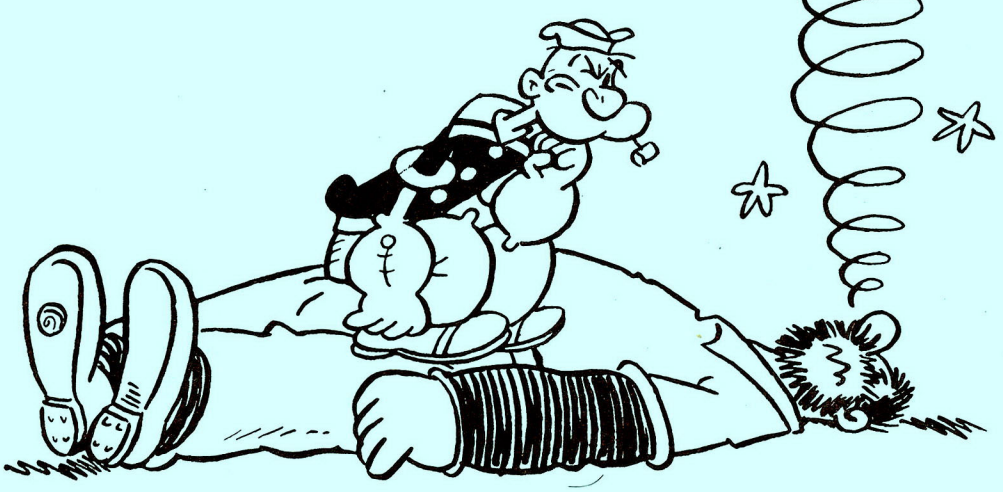
- Hej, klinac!

- GULP, Jesi li ti Džangrizalo?
- Naravno, pametnjakoviću!

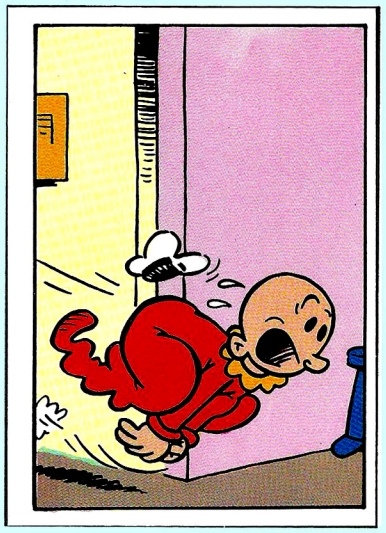
- Dobro, Džangrizala, šta vi želite?



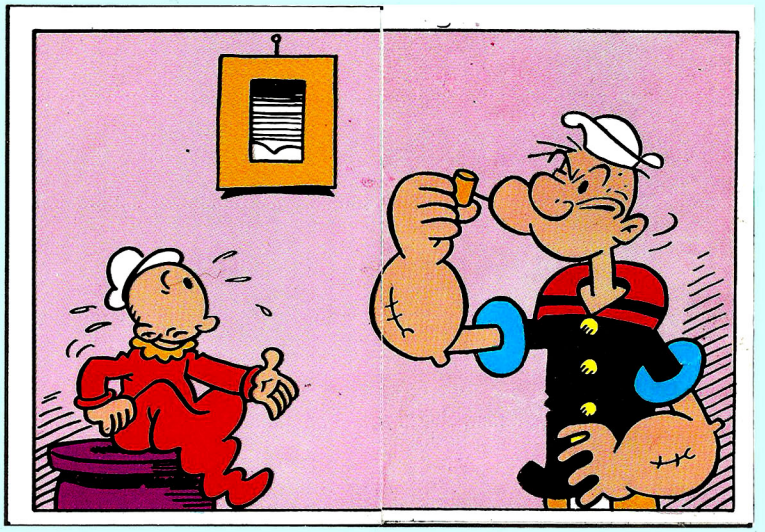
- Zdravo, mali sunčani dečače!
- Treba nam Popaj, mornar Popaj!
- A šta će vam Popaj?



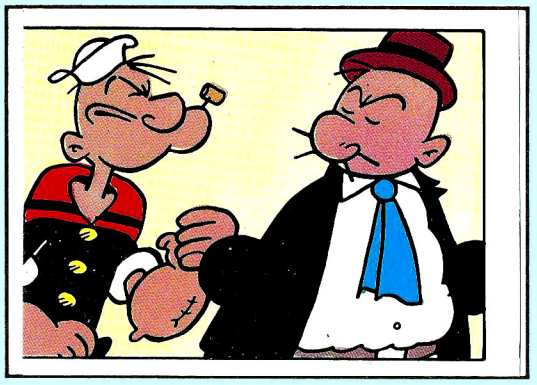
- DA GA UCMEKAMO, RAZUME SE!
- Ako ga ne upljeskamo, sprečiće nas da uništimo Sunce!
- JASNO?



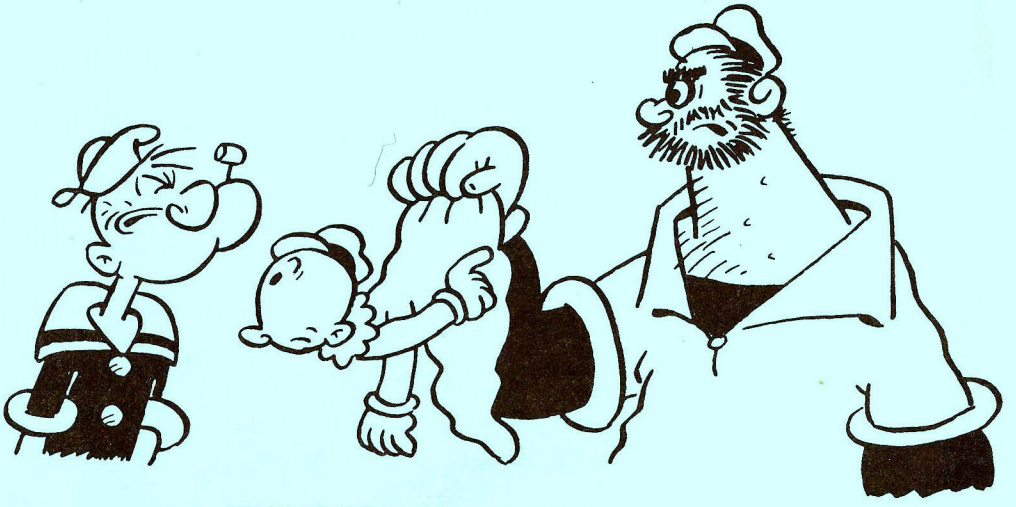
- POPAJE! POPAJE!

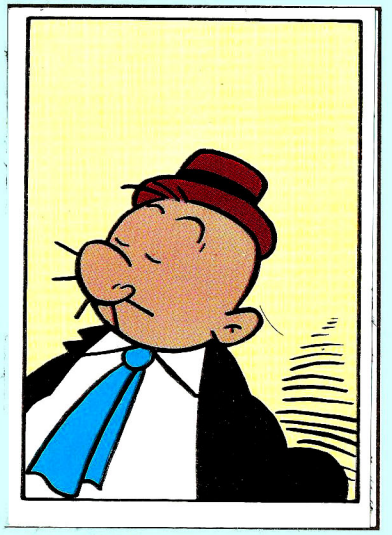


- Džangrizala te traže! Ubiće te da ih ne sprečiš da ugase Sunce!
- Sto mu kutija spanaća, zar tako!?

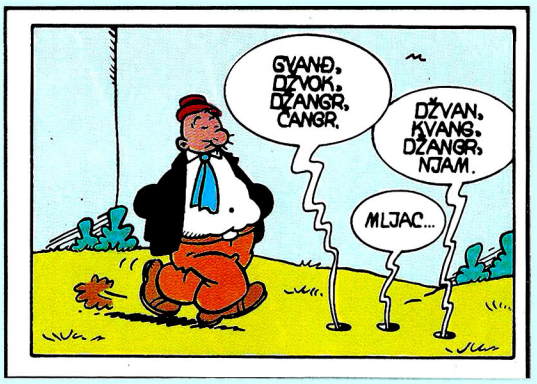


- Da, Pero, da me ubiju i da ugase Sunce!
- Sramota! Baš su nevaspitani!

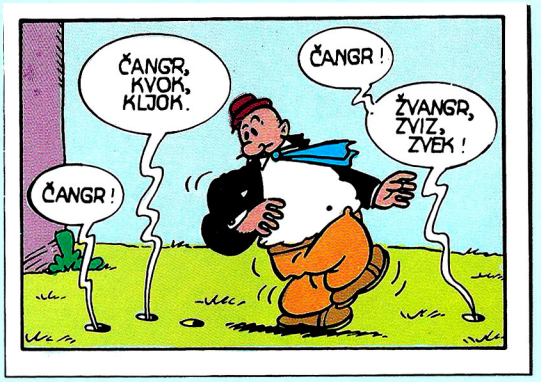




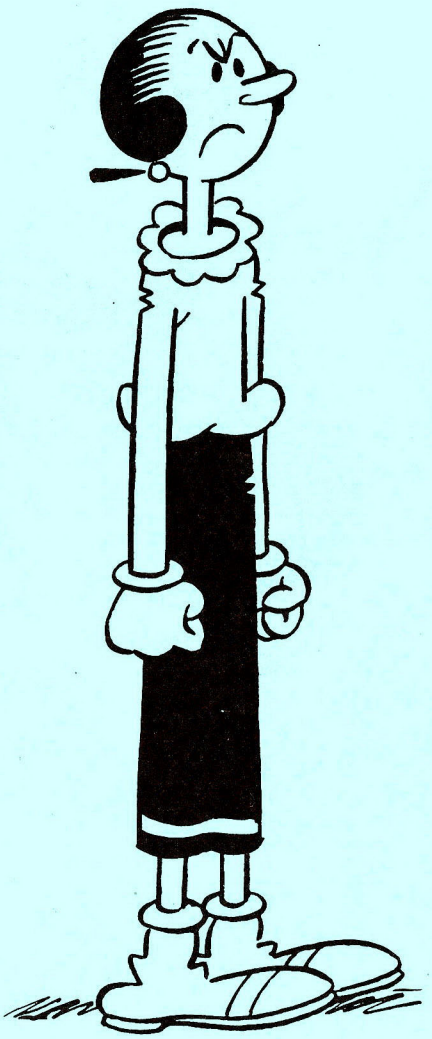
- I ti i Sunce ste sigurni sve dok oni ne saznaju gde si!



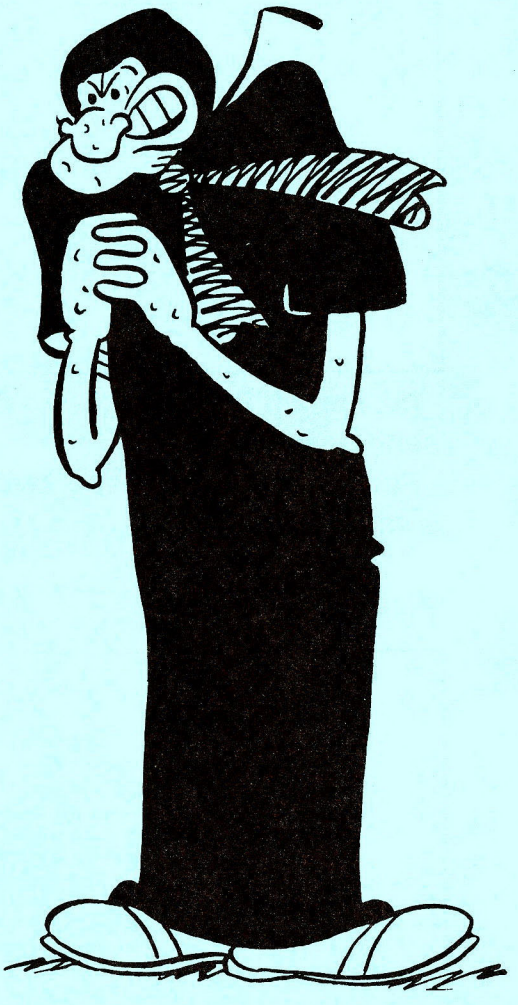
- Hej, evo onog debeljka! Taj zna gde je Popaj!
- Taj će ga izdati za par pljeskavica!



- ZDRAVO DEBELJUCO!
- NEBESA! DŽANGRIZALA!
- PRIZNAJ GDE JE POPAJ!

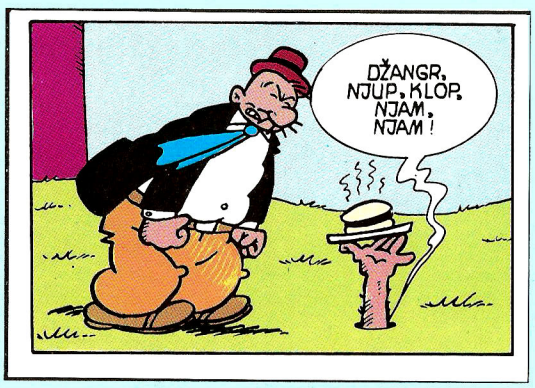


- Debeli, šta kažeš na sendviče?
- Slatki, ukusni, a još se puše!
- Prokleti mučitelji! Ja nisam izdajica!

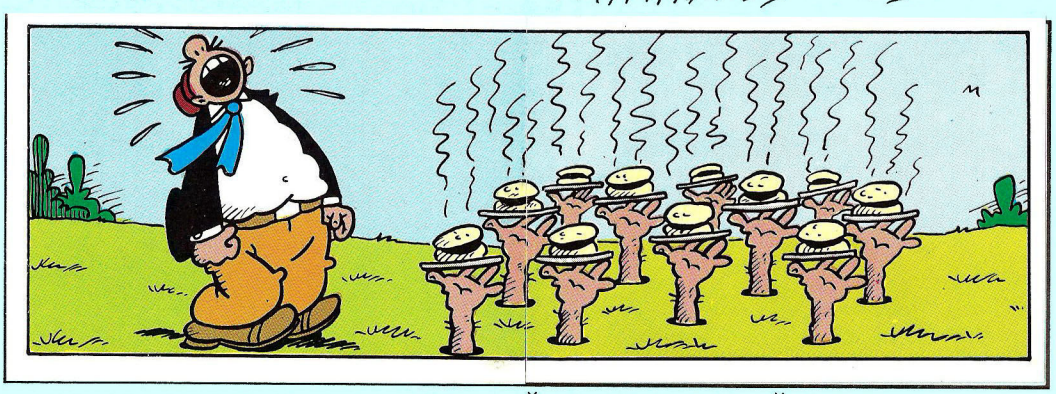


- Hm, iznenadiću ga! Zgrabiću mu sendvič!

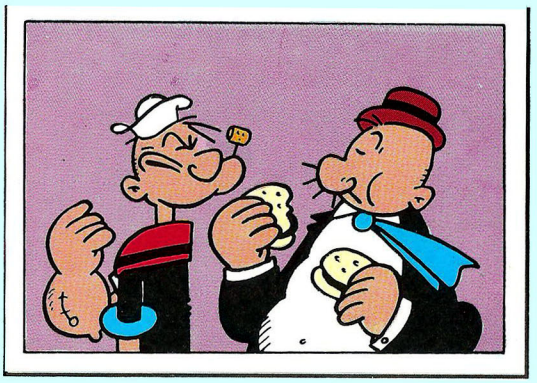
- Sram te bilo, debeli prevarantu!



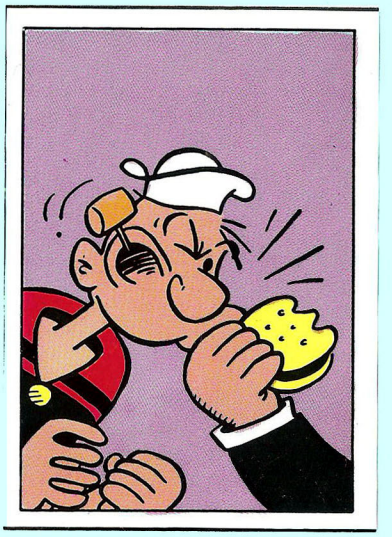
- Ma nemoj! Da me kupiš za par sendviča! Jeel?
- Par sendviča? Ma neee, ovo je samo uzorak!



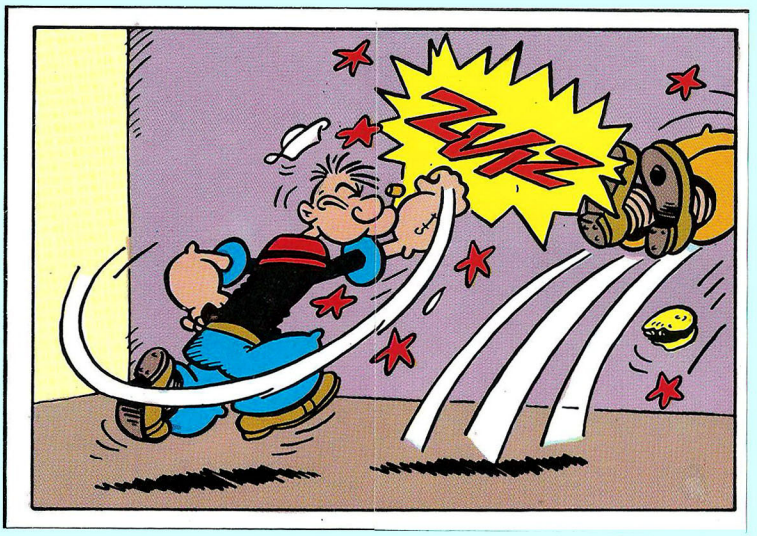
- JAOOO! POPAJE, PRIJATELJU, ŠTA MI TO RADIŠ!? Ovo je isuviše za moje veselo srce!



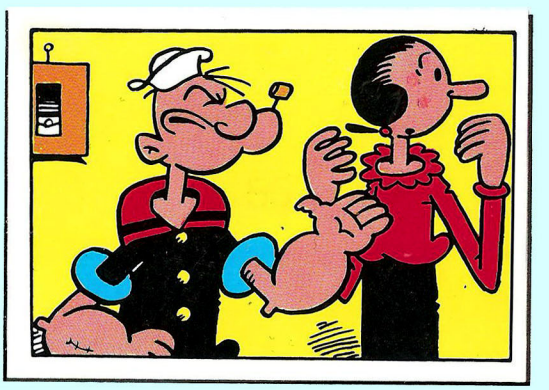
- Hej, Pero, odakle ti taj sendvič?
- Pa . . . znaš . . .



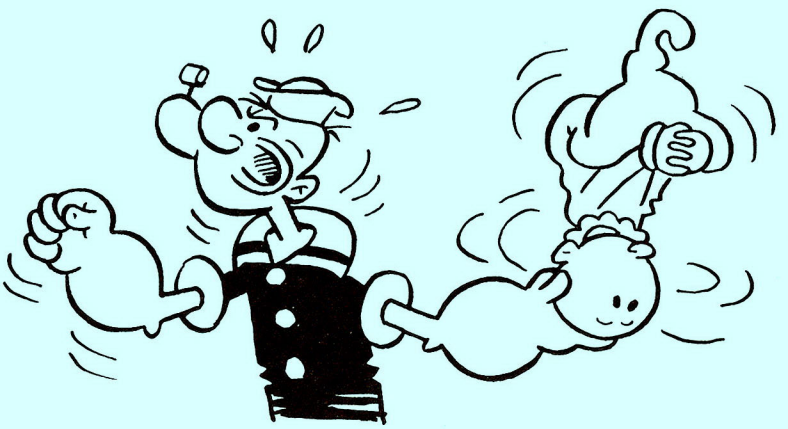
- Hmmm! Ovo nisu naši sendviči . . .

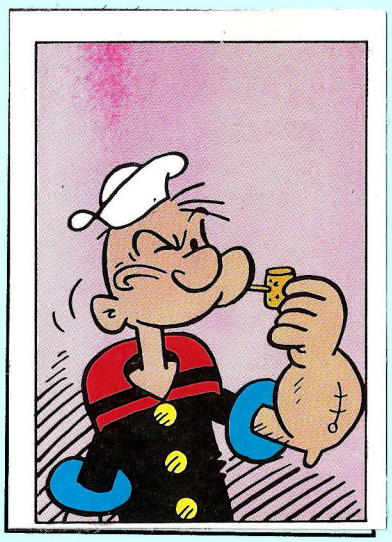


- Bedniče! Prodao si me džangrizalima za par sendviča!
- NIKAKO! Bilo je preko dvadeset!

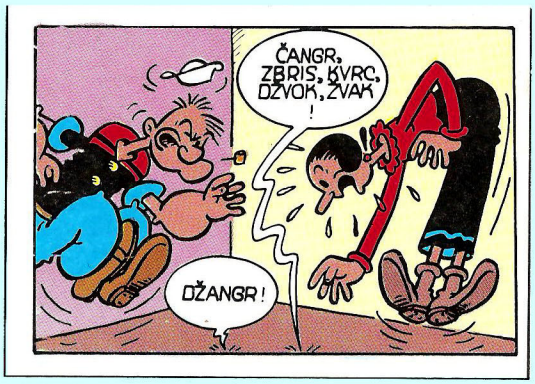


- Pera me je izdao. Sada džangrizala znaju gde sam!
-- Moraćeš da se sakriješ negde!

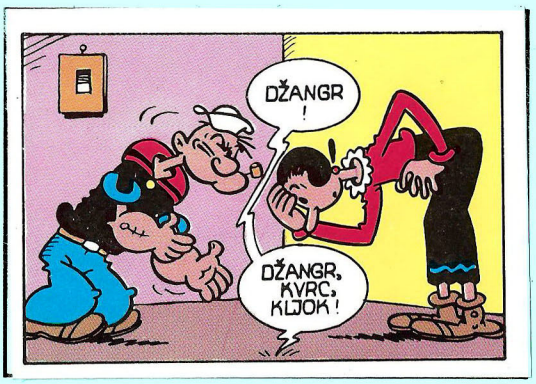




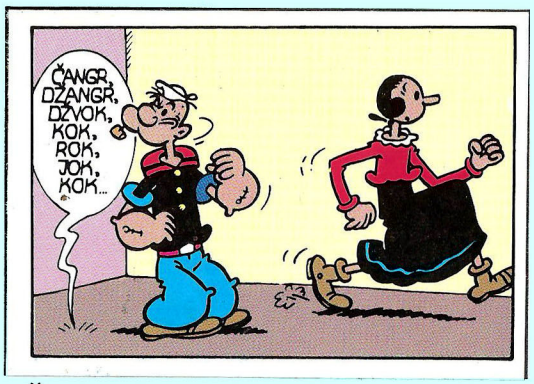
- Ne vredi, Oliva! Od njih ne možeš da pobegneš!



- Tačno, ortak! Od nas nema bežanja!
- Tako je!
- Aha!
- NEBESA, OLIVA! Pa, oni su OVDE!

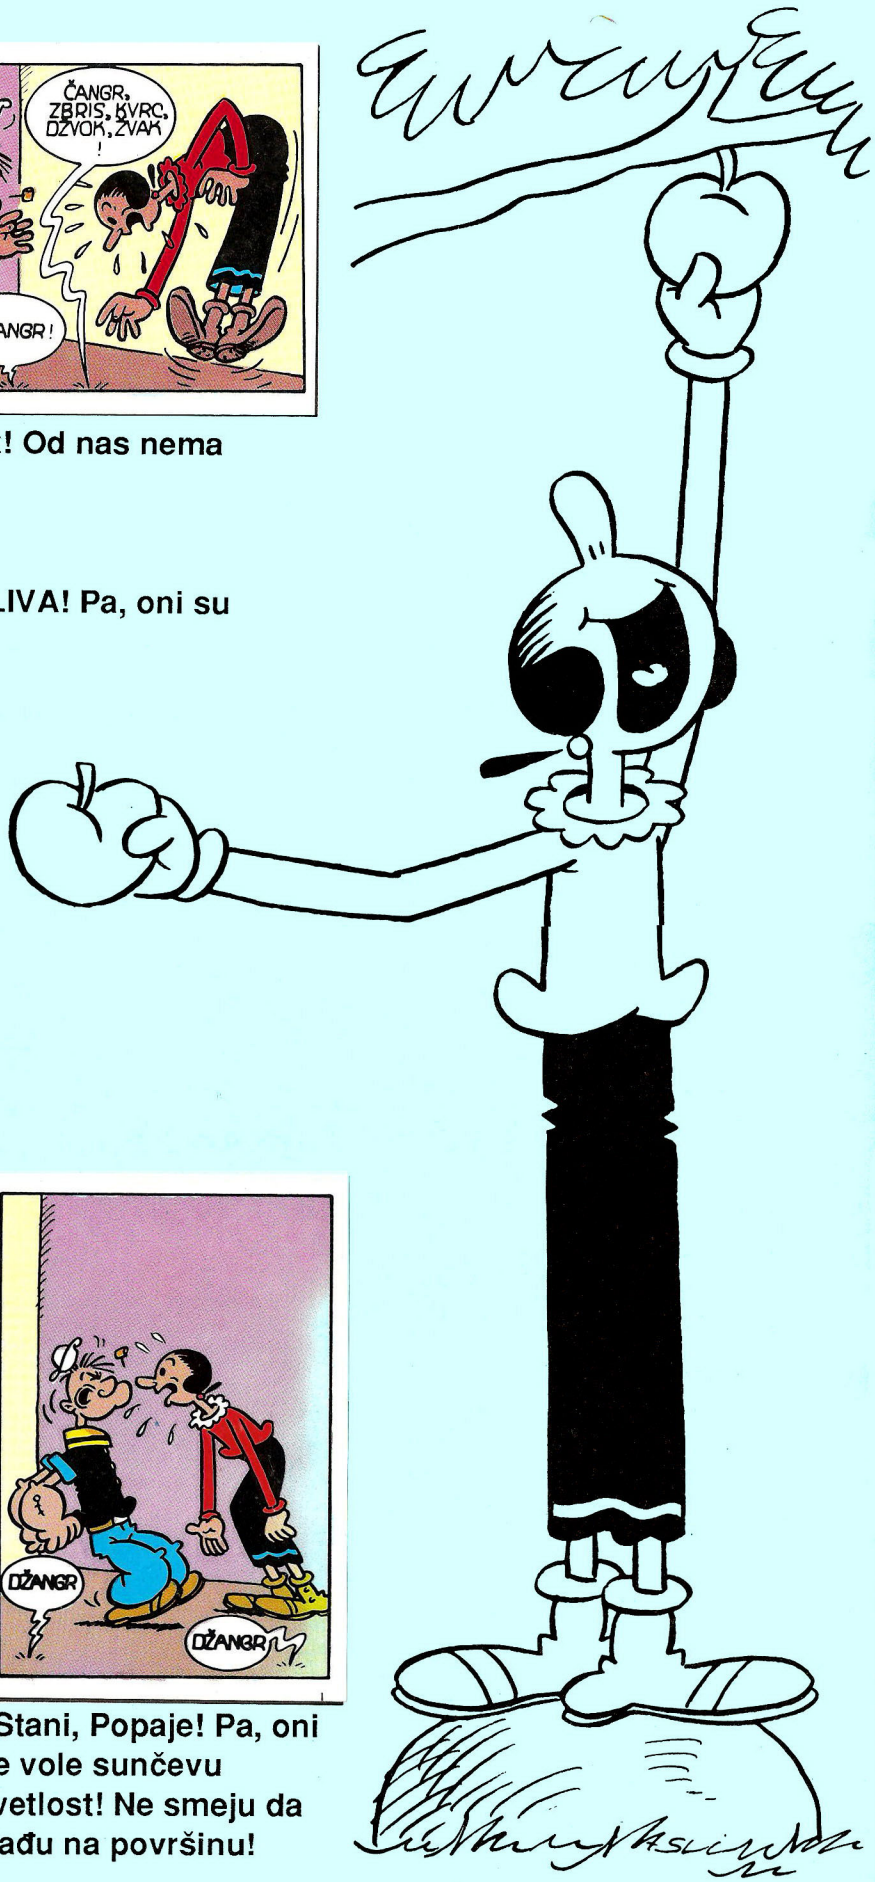


- Pa, šta hoćete od mene?
- Ništa . . .
- . . . samo da te ukokamo!

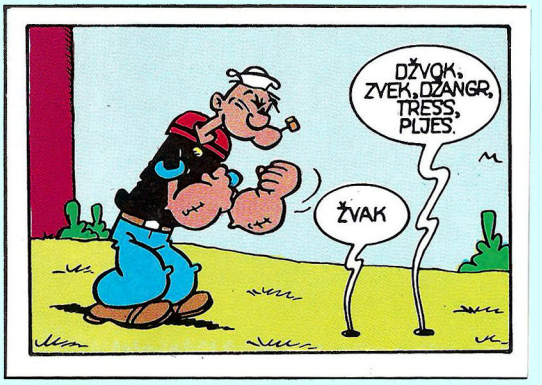


- Želimo da ugasimo Sunce, a ti to ne bi dozvolio, zar ne!?
- Pazi, pazi, znači, to vi želite!

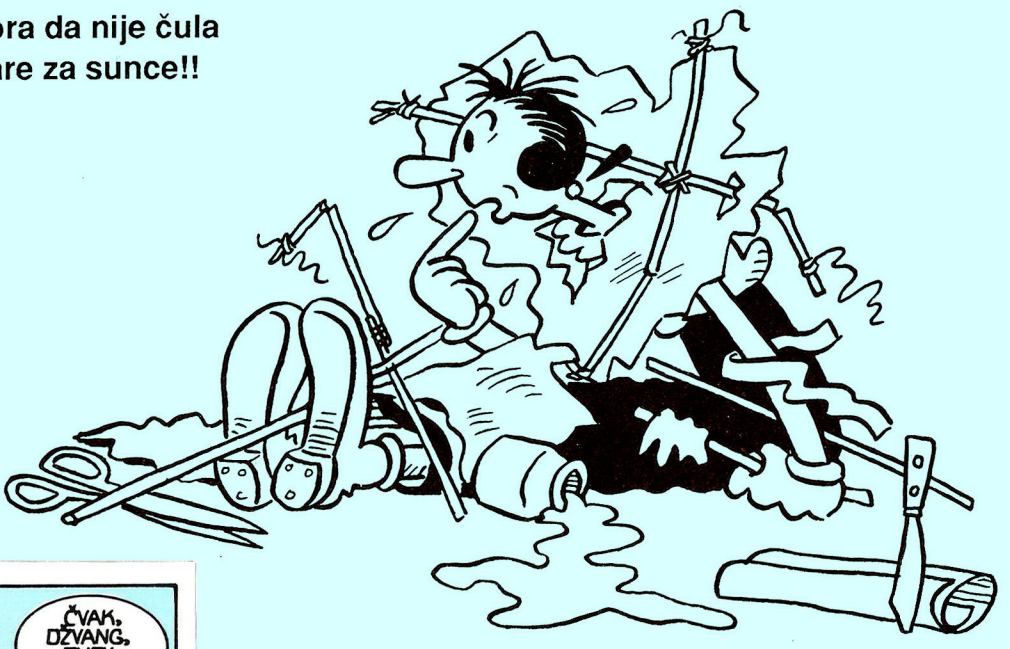
- Stani, Popaje! Pa, oni ne vole sunčevu svetlost! Ne smeju da izađu na površinu!

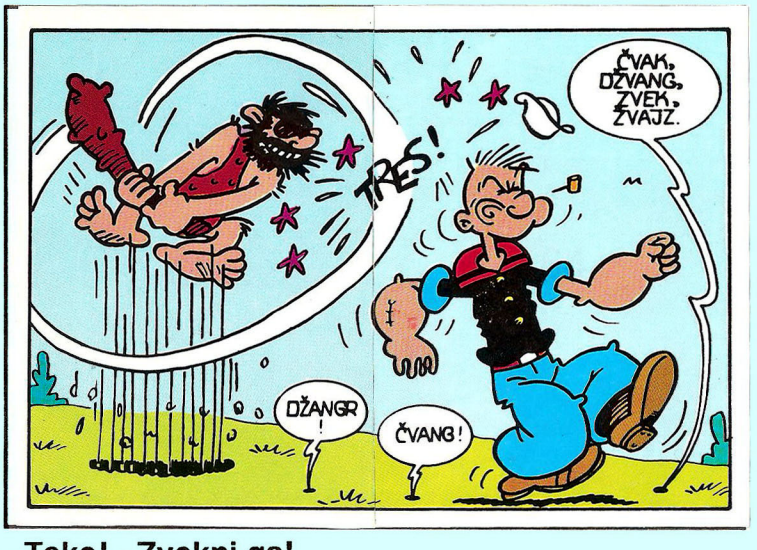


- Auh! Čuste li ovu glupaču!?
- Ova mora da nije čula za naočare za sunce!!

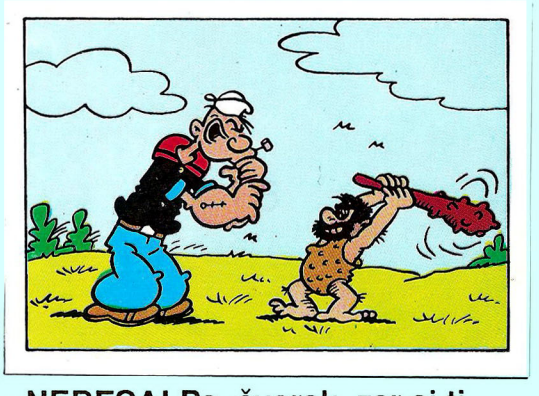


- Hej, mornar . . .
- Smeš li da se tučeš s našim šampionom?
- Što da ne. Šaljite ovamo vašeg grmalja!

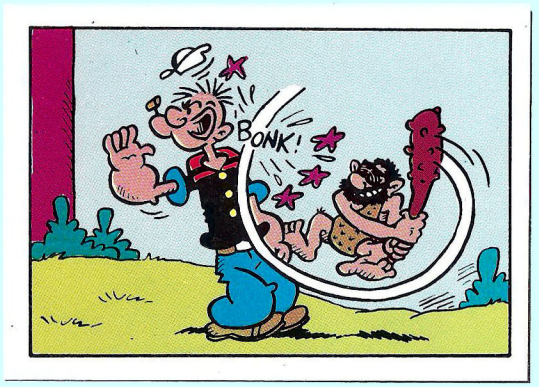




- Tako! - Zvekni ga!
- Džangro ga je zviznuo!
- Hej! Znači tako . . . ima i s leđa!?!

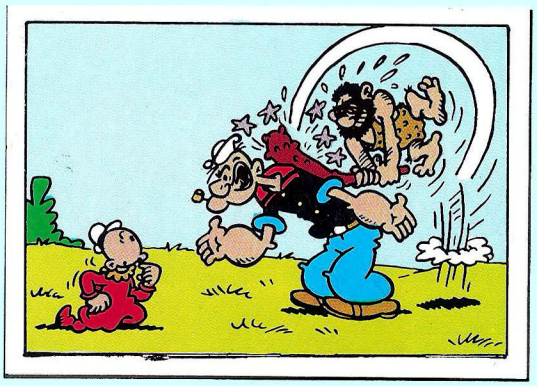


- NEBESA! Pa, čvarak, zar si ti šampion džangrizala?
- Ne totrljaj, već se bori!

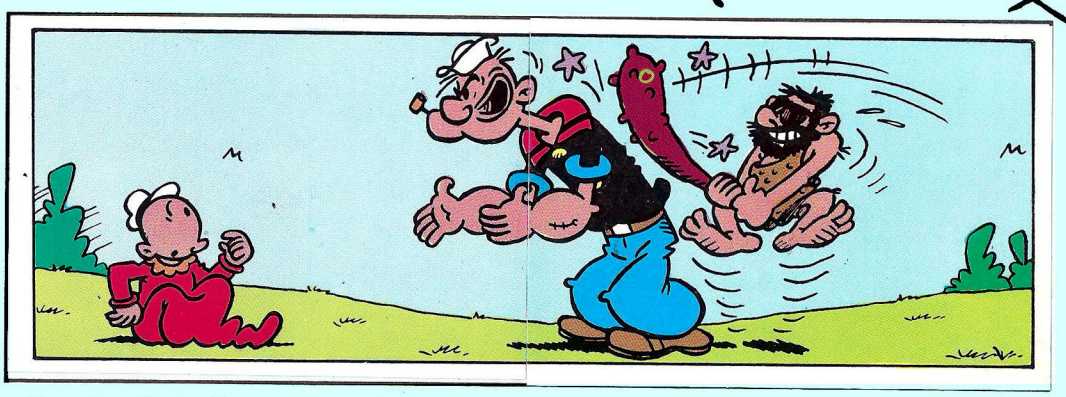


- Da bijem kepeca! Ni slučajno! KIĆOOO!
- E, ovo će te uspavati zauvek!

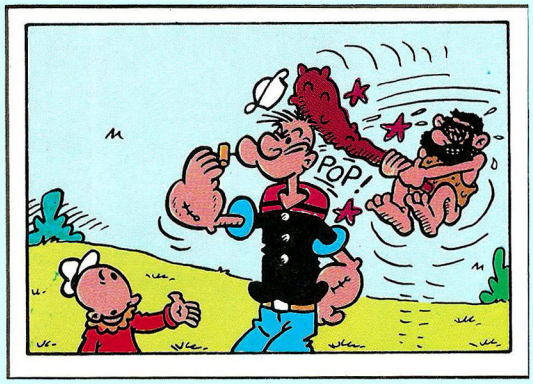
- KIĆOO!
- Evo me, Popaje!



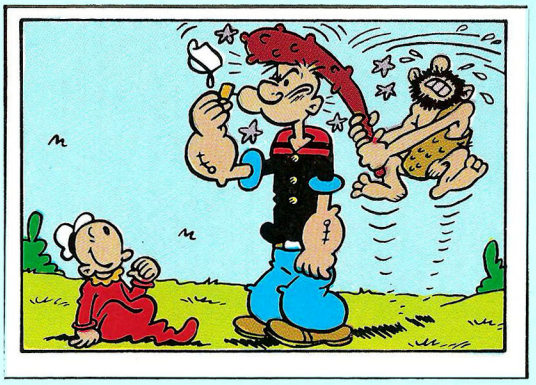
- Ovaj patuljak se naklatio na mene i želi da me ubije!



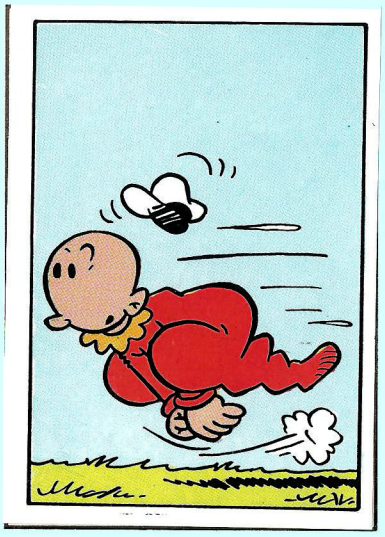
- Pa, šta čekaš, Popaje! Odalami ga!
- Ne može! Mornarski zakon mi zabranjuje da tabam nekog manjeg od metra!



- Šta nudiš da se borim umesto tebe?
- Šta kažeš na pet kugli sladoleda?

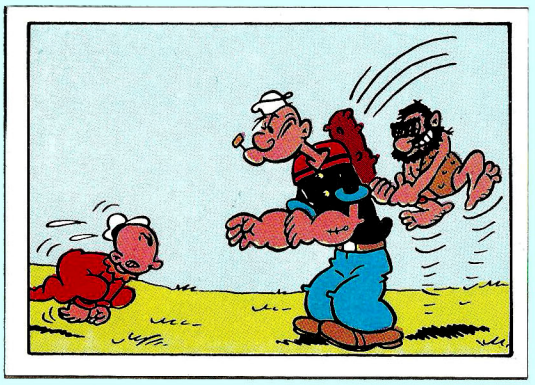


- Deset kugli i tri limunade?
- Uh, tvrd si na cenjkanju, ali, neka bude!

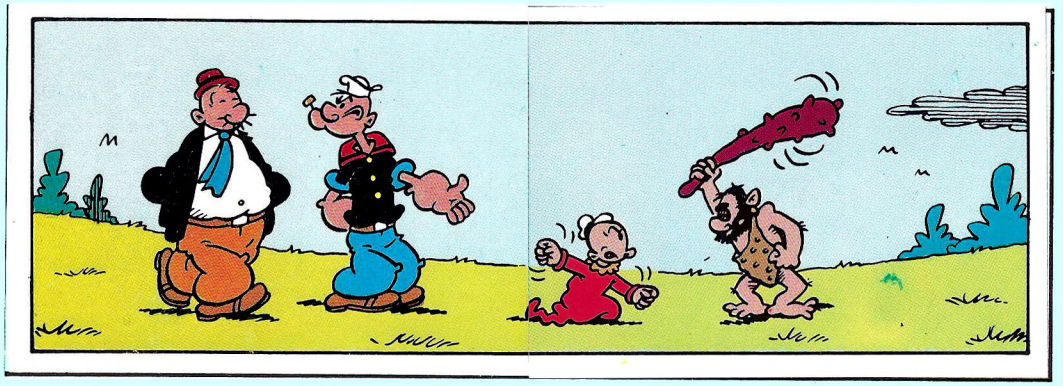


- Izdrži još malo, Popaje!

- Smazaću konzervu spanaća!

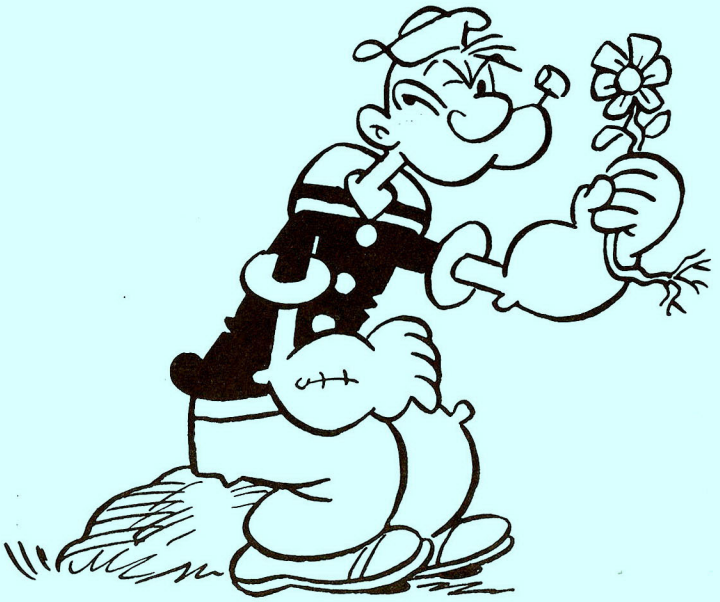


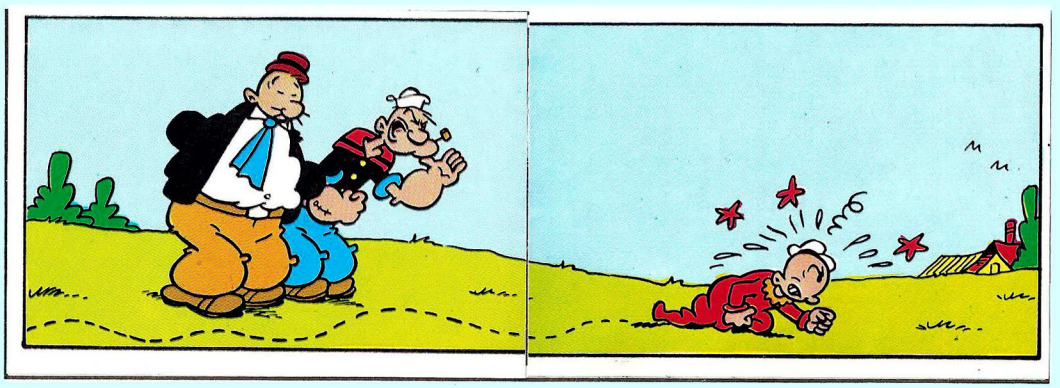
- Jesi li uzeo malo spanaća, Kićo?
- Nego šta drugo! Sklanjaj se Popaje!



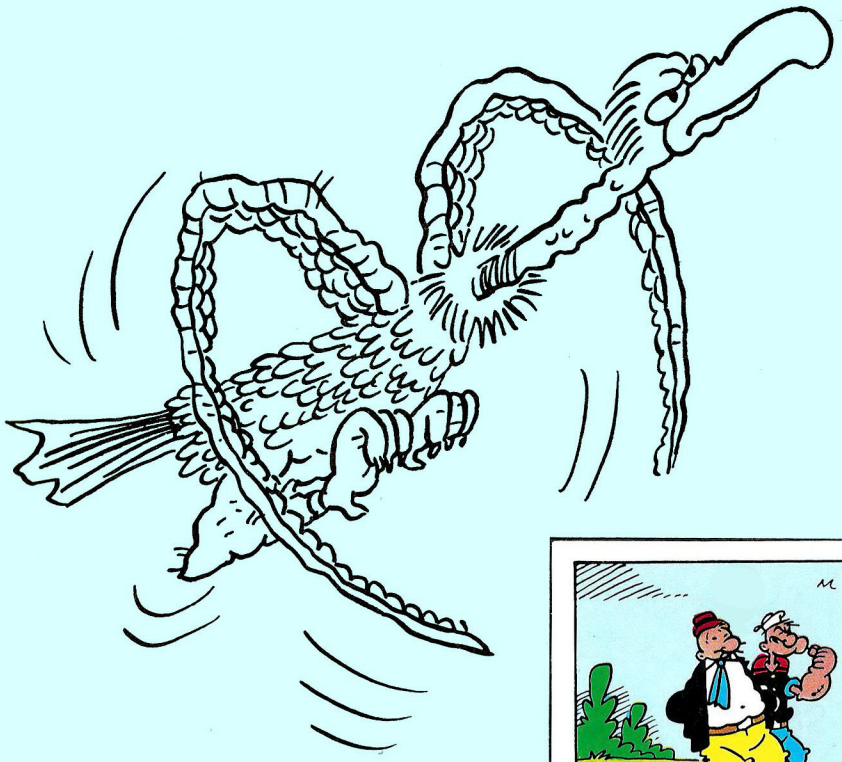
- Šta je to, Popaje?
- Ništa, Kića mi spasava život!
- Hej, džangrizalo, čuvaj njupavce!

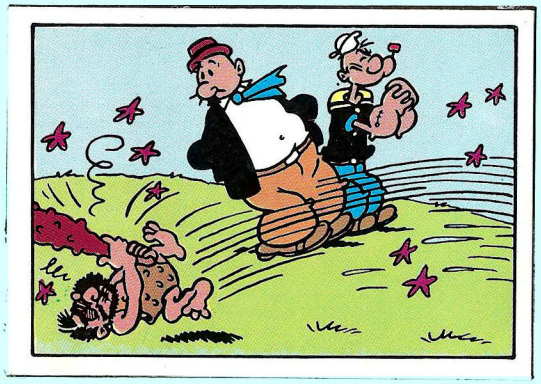
- Ne daj se, Kićo!



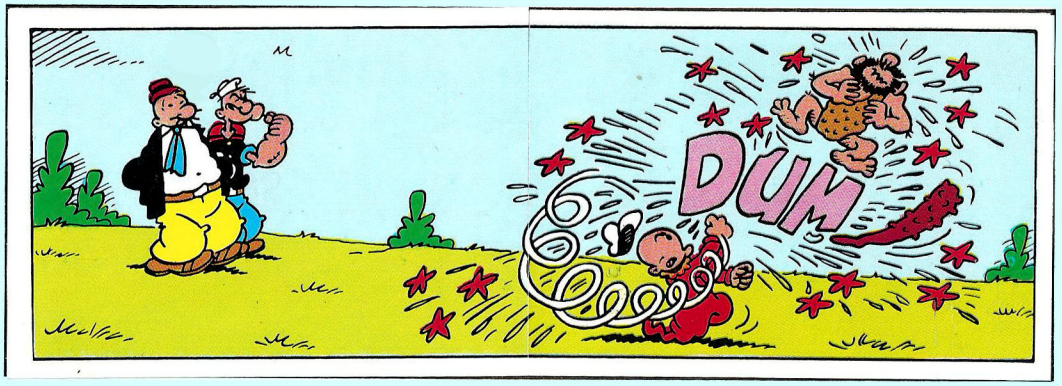


- Popaje, to je surovo što radiš! Siroto dete dobija batine umesto tebe!
- Ne boj se, Pero, pogledaj Kiću! Ne bih želeo da sam na mestu onog džangrizala!

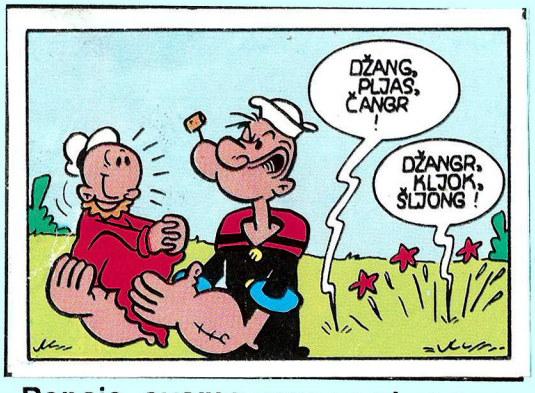




- Jesam li ti rekao, Pero! Sjajan je!

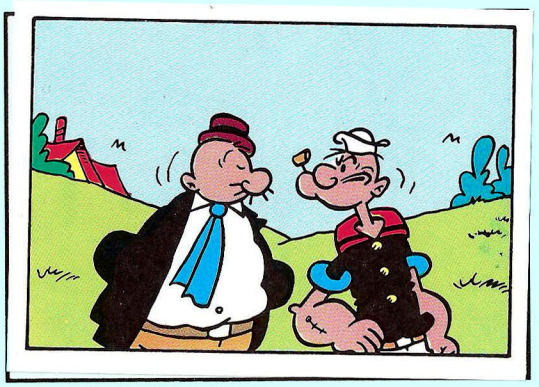


- Gledaj samo ovo, Pero! Pa, mali je stvarno genije! Kako je samo usavršio moj čuveni SPIRALNI UDARAC!



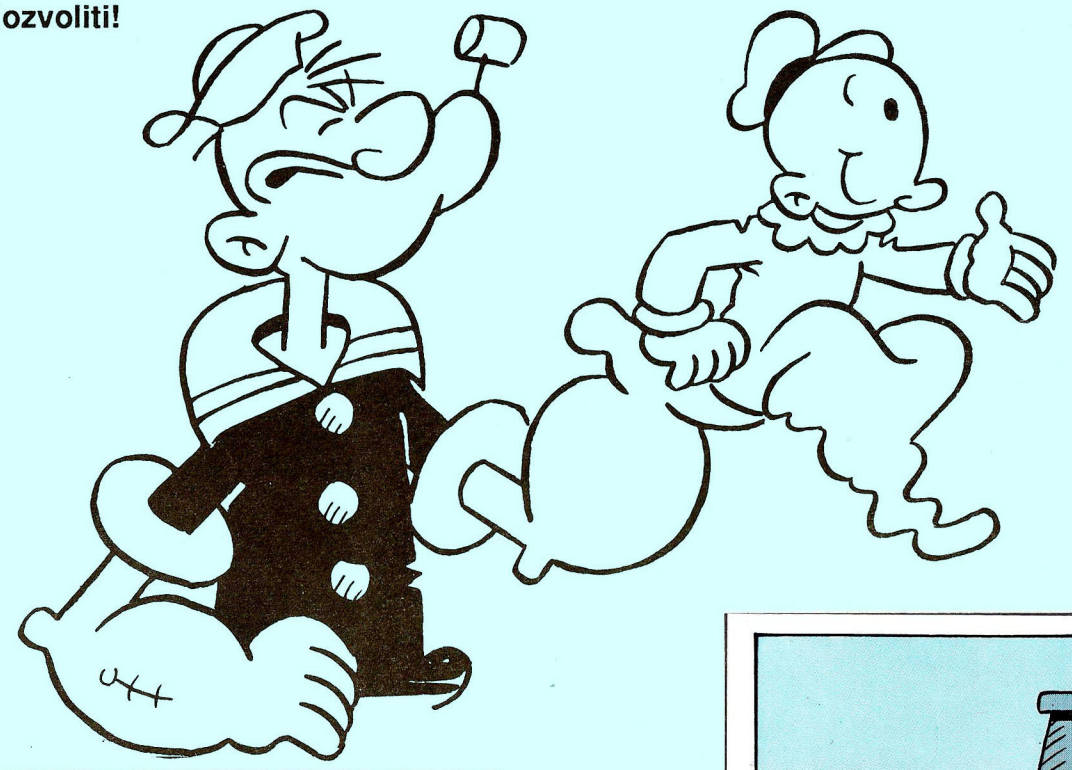
- Popaje, ovamo pare za sladoled!
- Naravno, Kićo! Pošteno si ih zaslužio!
- Džangro! Pa, ti si istaban! Ali, KAKO?
- Na prevaru! Poturili mi TAJNO ORUŽJE!

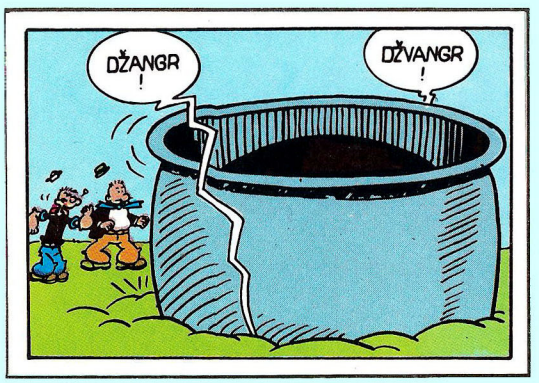
- Hajde, džangrizala, brišite, izgubili ste pošteno!
- Ha, veži ti to mačku o rep! Ništa od toga!
- Ne idemo dok ne ugasimo sunce!



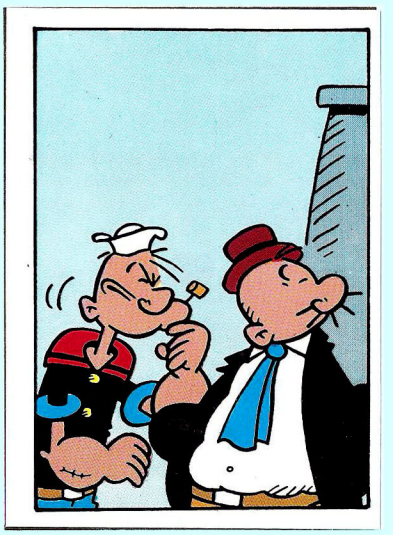
- Popaje, oni su ludi! Hoće da unište sunce!
- E, neće moći! Neću im to dozvoliti!

- Hajte, idite! Nama Sunce znači ŽIVOT!
- A, ne! Vi niste ni svesni opasnosti!
- Uništićemo vam Sunce! Ono će vas sagoreti!
- SVE JE SPREMNO!

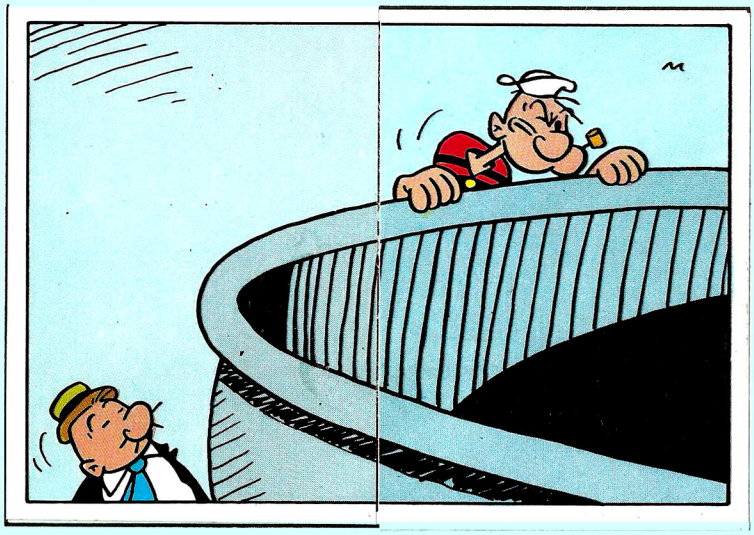




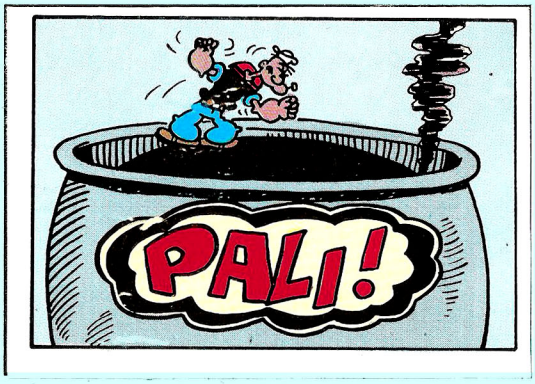
- DIŽI! - GURAJ!



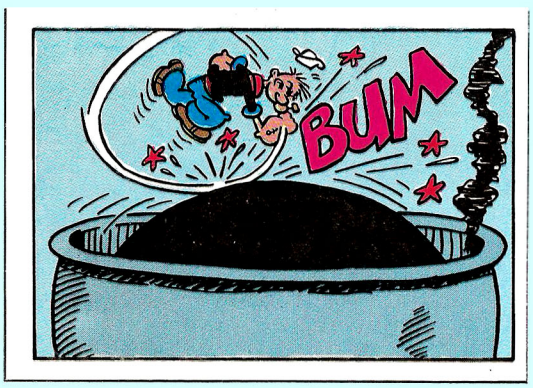
- Pero, mogu li ovim da unište Sunce?
- Ma, možda će da ga promaše!



- Vidiš li šta dole?
- Strašno, Pero! Kolika TOPOVSKA KUGLA! Ovo postaje OPASNO!!

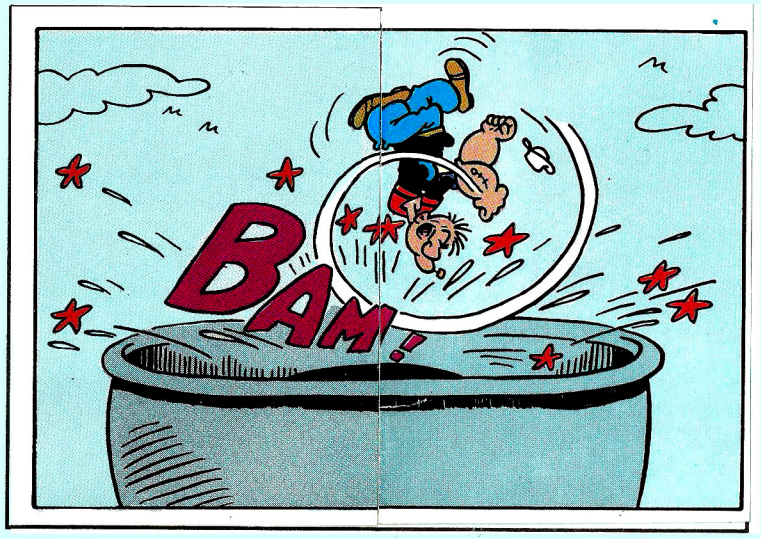


- DOVRAGA! Džangrizala su upalila FITILJ!

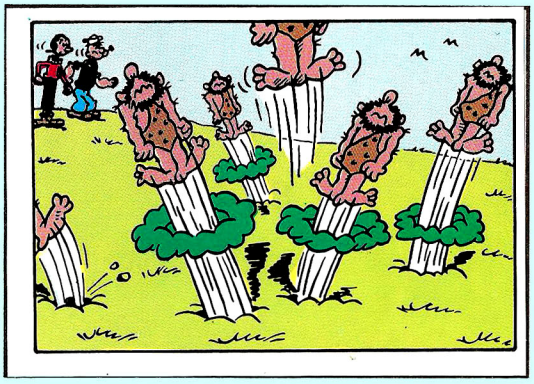


- E, nećeš! Evo ti! Beži nazad, klikerčiću!

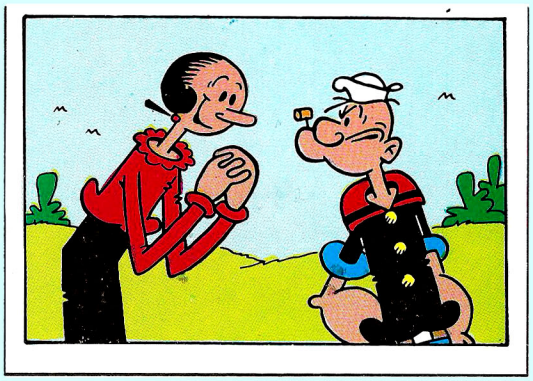
- Evo JOŠ, JOŠ JOŠ!



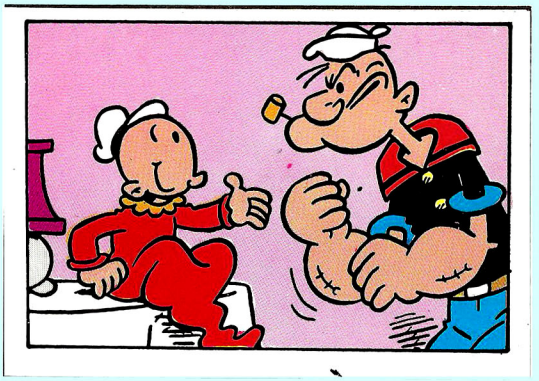
- Taako, prokletinjo! Nećeš ti da uništavaš ničije Sunce!



- Vidi, Oliva! Izleteše kao zapušači!



- Popaje! Spasioče naš! Čovečanstvo ti duguje svoj spas! Oooh!



- Popaje, ako još nekad treba da ti spasem život, zovi me!
- Dobro, Kićo! Računam na tebe!
